**You need to submit BOTH the Data Request Checklist and Assurance of Compliance form, along with the Civil Rights Policies and Procedures.**

• **Office for Civil Rights Clearance Process** – A health care provider that applies for participation in the Medicare Part A program must receive a civil rights clearance from OCR, as set forth in 42 CFR 480.10(b).

• **Initial Enrollment or CHOW- the Civil Rights Packet may be submitted on line-** by answering all questions and submit the entire civil rights clearance package online at <https://ocrportal.hhs.gov/ocr/pgportal/index.jsf>

### **Provider Submission of Civil Rights Packet**

If the provider chooses to submit hard copies of the civil rights package, then the process remains the same: the provider sends the completed Civil Rights Packet (including signed questionnaire form, signed HHS-690 form, and civil rights policies and procedures) to the Illinois Department of Public Health.

If you choose to submit the civil rights package online, the submission will go directly into the OCR intake queue, and the provider will receive an e-mail from OCR stating that the provider completed the civil rights submission. The e-mail will contain an OCR number, which is critical to OCR’s ability to access the provider’s submission from the OCR intake queue. The provider will submit a copy of this e-mail to the Illinois Department of Public Health and then the State will submit it to the CMS Regional Office in lieu of the completed civil rights package. The Regional Office will attach the query sheet/tie-in notice to the e-mail with the OCR number and send to OCR for OCR’s civil rights review of the provider’s submission. If the CMS regional office determines that the potential provider does not meet the criteria to participate in the Medicare Part A program, the regional office will send to OCR the e-mail with the OCR number, with a comment “Medicare participation has

been denied – no OCR clearance necessary,” so that OCR can remove the application from its intake queue.

### **Entities with Civil Rights Corporate Agreements**

For providers that belong to corporations that have Civil Rights Corporate Agreements with OCR, SAs should collect and forward ONLY the signed certification sheets, or the e-mail

**When all of the pertinent documents are received, they will be forwarded to CMS (Centers for Medicare and Medicaid Services) in Chicago.**
