

Releasing Original Illinois Birth Certificates

Illinois law (750 ILCS 50/18.04) provides for the release of original birth certificates to adopted and to surrendered persons 21 years of age or older upon request. This law also recognizes there may be unique situations where a birth parent may have a compelling reason for not wanting to establish contact with a birth son or daughter or for not releasing identifying information that appears on the original birth certificate of a birth son or daughter who has reached adulthood.

The Illinois Adoption Registry and Medical Information Exchange (IARMIE) provides the **attached form** to allow birth parents to express their wishes regarding contact and, if their birth child was born on or after January 1, 1946, the sharing of identifying information listed on the original birth certificate with an adult adopted or surrendered person who has reached the age of 21 or with his or her surviving relatives.

The decision to deny an adult adopted or surrendered person access to identifying information on his or her original birth record and/or information about genetically-transmitted diseases is an important decision that could impact the adopted or surrendered person's life.

The choice to remain anonymous by using this form pertains only to identifying information provided to an adopted or surrendered adult person or his or her surviving relatives through the IARMIE program. This will not prevent the disclosure of identifying information that may be available to the adoptee through his or her adoptive parents and/or other means available to him or her.

Birth parents who prefer not to be contacted by their adopted or surrendered son or daughter are encouraged to complete both the Non-identifying Information Section included on the final page of this document and the IARMIE Medical Questionnaire in order to provide their adopted or surrendered son or daughter with background information.

Birth parents whose adopted or surrendered son or daughter is younger than 21 years of age at the time of the completion of this form are reminded that no original birth certificate will be released by IARMIE before an adoptee has reached the age of 21.

Should you need additional assistance in completing this form, contact the agency that handled the adoption, if applicable, or call IARMIE toll free at 877-323-5299.
