ILLINOIS DEPARTMENT OF PUBLIC HEALTH

CERTIFICATE OF FREE SALE

This is to certify that _____ operates a _____ products plant located at _____, Illinois, U.S.A., in which among other items, the following products are _____ :

Product description

Quantity

These products are freely sold within Illinois and other states of the United States. In manufacturing, processing, packaging, warehousing and distributing them in the United States, the above company is subject to the statutes and regulations of the Illinois Food, Drug and Cosmetic Act enforced by the Illinois Department of Public Health, and said company is subject to the jurisdiction of this agency. As of the current date, no violations of the above mentioned regulations or statutes requiring legal action have been found by this agency. Product end is intended for human use. This certificate covers only currently existing conditions and should not be interpreted as a guarantee, explicit or implied, for all products of the said company at all times in the future; neither should it be used for advertising purposes.

This company has attested to the Illinois Department of Public Health that the food products listed above and on invoice # _____ are to be exported and are of the same quality as those freely sold in Illinois and other states of the United States of America and are fit for human consumption.
