

## ***Identified Offenders Program (IOP)***

### ***FALL SUMMIT 2021***

***Wednesday, November 10, 2021***

***10am – 12pm***

**Purpose:** To educate long-term care facility staff on how to interpret and use the IDPH-provided risk assessment for residents who are identified offenders.

#### ***Objectives:***

- Summarize how the risk assessment is developed.
- Identify factors for predicting an identified offender's risk of violence.
- Use the risk factors in the development of the criminal history analysis (CHA).
- Understand how to apply the risk assessment findings into clinical practice in the long-term care facility.
- Summarize the recommendations of a risk assessment.

**Target Audience:** Long-term care nursing home administrators, social service staff, fingerprint vendors, IDPH Office of Health Care Regulation staff, and Illinois State Police IOP staff
