

Illinois Department of Public Health
Legionella Response Compendium

Handouts about Legionnaires' Disease

How *Legionella* Affects Building Water Systems and

People: <https://www.cdc.gov/legionella/infographics/legionella-affects-water-systems.html>

Legionnaires' Disease Fact Sheet: <https://www.cdc.gov/legionella/downloads/fs-legionnaires.pdf>

Outbreak Resources

Things to Consider: Outbreak Investigations

<https://www.cdc.gov/legionella/health-depts/epi-resources/outbreak-investigations.html#considerations>

Healthcare Investigation Resources for healthcare-associated cases and outbreak investigations:

<https://www.cdc.gov/legionella/health-depts/healthcare-resources/cases-outbreaks.html>

Things to Consider: Travel or Community Associated Outbreak Investigations:

<https://www.cdc.gov/legionella/health-depts/epi-resources/outbreak-investigations.html#considerations>

Legionella Environmental Assessment Form: <https://www.cdc.gov/legionella/downloads/legionella-environmental-assessment.pdf>

Legionella Environmental Sampling Procedure: <https://www.cdc.gov/legionella/downloads/cdc-sampling-procedure.pdf>

Communications Resources: <https://www.cdc.gov/legionella/health-depts/communications-resources.html>

Resources for Clinicians

Disease Specifics (transmission, risk factors, pathogenesis and burden of disease):

<https://www.cdc.gov/legionella/clinicians/disease-specifics.html>

Clinical Features: <https://www.cdc.gov/legionella/clinicians/clinical-features.html>

Diagnosis, Treatment and Prevention: <https://www.cdc.gov/legionella/clinicians/diagnostic-testing.html>

Water Management Planning Resources

Federal Requirement to Reduce *Legionella* Risk (Memo #17-30) Requirement to Reduce *Legionella* Risk in Healthcare Facility Water Systems to Prevent Cases and Outbreaks of Legionnaires' Disease:

<https://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/SurveyCertificationGenInfo/Downloads/Survey-and-Cert-Letter-17-30.pdf>

Toolkit: Developing a Water Management Program to Reduce *Legionella* Growth and Spread in Buildings: <https://www.cdc.gov/legionella/wmp/toolkit/index.html>

Water Monitoring Your Building Water Quality: <https://www.cdc.gov/legionella/wmp/monitor-water.html>

Water Management Program Validation: <https://www.cdc.gov/legionella/wmp/healthcare-facilities/water-mgmt-validation.html>

CDC Environmental *Legionella* Techniques Evaluation (ELITE) Program Public Members List: <https://www.cdc.gov/elite/Public/MemberList.aspx>

Occupational Safety and Health Administration (OSHA)
Standards: <https://www.osha.gov/SLTC/legionnairesdisease/standards.html>

Guidance to Help Minimize the Risk of Legionellosis (ANSI/ASHRAE 188-2018): <https://www.ashrae.org/technical-resources/bookstore/ansi-ashrae-standard-188-2018-legionellosis-risk-management-for-building-water-systems>

Minimizing the risk of legionellosis associated with building water systems (ASHRAE guideline 12-2000): https://www.techstreet.com/ashrae/standards/guideline-12-2000-minimizing-the-risk-of-legionellosis-associated-with-building-water-systems?gateway_code=ashrae&product_id=232891

Prevention of Healthcare Associated *Legionella* Disease and Scald Injury from Potable Water Distribution Systems: https://www.va.gov/vhapublications/ViewPublication.asp?pub_ID=3033

Cooling Towers

Cooling Technology Institute, Legionellosis Guideline: Best Practices for Control of *Legionella*: <http://www.cti.org/downloads/WTP-148.pdf>

Spas

Considerations for Public Hot Tub Operators: <https://www.cdc.gov/legionella/wmp/hotTub-operators.html>

Disinfection of Hot Tubs that Contain *Legionella*: <https://www.cdc.gov/legionella/downloads/hot-tub-disinfection.pdf>

Operating Public Hot Tubs: <https://www.cdc.gov/healthywater/pdf/swimming/resources/operating-public-hot-tubs-factsheet.pdf>
