

To help you meet the required training and experience for a Moderate Complexity Laboratory Director, we recommend the following link (coordinated by Ms. Molly James, Iowa State CLIA Coordinator and approved by the Centers for Medicare/Medicaid Services):

**University of Iowa On-line Computer Assisted  
Laboratory Director Course:**

**[Http://www.healthcare.uiowa.edu/cme/clis/Introduction.html](http://www.healthcare.uiowa.edu/cme/clis/Introduction.html)**

Once you complete the training, please submit your letter of completion to the Illinois Department of Public Health - CLIA Program, along with your Laboratory Director Change Request and any other necessary qualifying documentation, and we will process your request.

**\*AMA/AAFP Equivalency:**

AAFP Prescribed credit is accepted by the American Medical Association as equivalent to AMA PRA Category 1 Credit™ toward the AMA Physician's Recognition Award. When applying for the AMA PRA, Prescribed credit earned must be reported as Prescribed, not as Category 1.
