EXEMPLARY EMS INSTRUCTOR/EMS PEDIATRIC INSTRUCTOR AWARD

This award recognizes an EMS instructor who has made a positive contribution to EMS education. This individual must have demonstrated sustained excellence as an educator, motivator, and supporter of emergency medical services education in Illinois.

or

This pediatric award recognizes an EMS instructor who has made a positive contribution to pediatric-focused EMS education. This individual must have demonstrated sustained excellence as an educator and advocate for the needs of children in emergency medical services education in Illinois.

EXEMPLARY EMS RESPONSE/EMS PEDIATRIC RESPONSE AWARD

This award recognizes an individual or emergency medical services responder who has performed an unusual or hazardous rescue.

or

This pediatric award recognizes an individual or emergency medical services responder whose performance has gone above and beyond during a pediatric patient's rescue, resuscitation, or management.

EXEMPLARY EMERGENCY RESPONSE/PEDIATRIC EMERGENCY RESPONSE AWARD BY A NON-EMS INDIVIDUAL(S)

This award recognizes a non-EMS trained individual who performed a heroic or life-saving activity.

or

This pediatric award recognizes a non-EMS trained individual who performed a heroic or life-saving activity for a child.

EXEMPLARY EMS PUBLIC EDUCATION/EMS PEDIATRIC PUBLIC EDUCATION AWARD

This award recognizes an individual or emergency medical services educator for outstanding achievement in public education, injury prevention, or health promotion related to EMS in Illinois.

or

This pediatric award recognizes an individual or emergency medical services educator for outstanding achievement in public education, injury prevention, or health promotion that targets the needs of children as related to EMS in Illinois.
