## Emergency Contact

Emergency Contact Name:

Emergency Contact Phone Number:

I acknowledge that I have experience working in a professional laboratory, and that I am familiar with basic safety procedures involved in working with pathogenic organisms.

By typing my name below, I acknowledge that I will be attending the above listed two-day training session that involves potential exposure to pathogenic organisms. I agree to adhere to best practices of general laboratory safety as well as any additional safety guidelines as instructed, for my own protection and for the protection of others. I agree that I will hold neither the Illinois Department of Public Health, nor any of the individual instructors of this course, liable for any exposures that occur due to my own negligence.
