	Statement of Licensure Violations: 300.610a) 300.1210b)1) Section 300.610 Resident Care Policies a) The facility shall have written policies and procedures governing all services provided by the facility. The written policies and procedures shall be formulated by a Resident Care Policy Committee consisting of at least the administrator, the advisory physician or the medical advisory committee, and representatives of nursing and other services in the facility. The policies shall comply with the Act and this Part. The written policies shall be followed in operating the facility and shall be reviewed at least annually by this committee, documented by written, signed and dated minutes of the meeting. Section 300.1210 General Requirements for Nursing and Personal Care b) The facility shall provide the necessary care and services to attain or maintain the highest practicable physical, mental, and psychological well-being of the resident, in accordance with each resident's comprehensive resident care plan. Adequate and properly supervised nursing care and personal care shall be provided to each resident to meet the total nursing and personal care needs of the resident. Restorative measures shall include, at a minimum, the following procedures: The licensed nurse in charge of the restorative/rehabilitative nursing program shall have successfully completed a course or other training program that includes at least 60 hours of classroom/lab training in restorative/rehabilitative nursing as evidenced by a transcript, certificate, diploma, or other written documentation from an accredited school or recognized accrediting agency such

S9999	Continued from page 1 as a State or National organization of nurses or a State licensing authority. Such training shall address each of the measures outlined in subsections (b)(2) through (5) of this Section. This person may be the Director of Nursing, Assistant Director of Nursing or another nurse designated by the Director of Nursing to be in charge of the restorative/rehabilitative nursing program. This REQUIREMENT was not met as evidenced by: Based on interview and record review, the facility failed to ensure the restorative nurses in charge of their restorative program have successfully completed 60 hours of training/education in restorative nursing from an accredited school or recognized accrediting agency. This failure has the potential to affect all 160 residents currently residing in the facility. The findings include: The facility's CMS-671 dated 1/12/26 shows the resident census of the facility is 160. On 1/14/26 at 12:10 PM, V17, Restorative LPN (Licensed Practical Nurse), said she and V11, Restorative LPN together are in charge of the Restorative Program in the facility. V17 said the restorative nurse position is a new role for her as of April 2025. V17 said she did all of her training to become a restorative nurse at one of their facilities. V17 said her training was more of an orientation with competencies. V17 said she does not know if the company is accredited to provide restorative nurse training, and she does not know how many hours of training she completed. On 1/14/26 at 12:38 PM, V17 said the facility's company provided all of her training for her restorative nurse position. On 1/14/26 at 12:46 PM, V11 said she and V17 are in charge of the restorative program in the facility. V11 said this is her first restorative nursing job which she began at the end of July of 2025. V11 said she received education for the role from the company who owns the facility. V11 said she had education and competencies for her training. V11 said she does not know if it was an accredited program. V11 said all her training was done in one of the company's facilities; there was no type of test or certification. On 1/14/26 at 1:47 PM, V1, Administrator, said V11 and V17 do not have a certification for Restorative nursing. The facility was unable to provide a transcript, certificate, diploma or other written documentation from an accredited school or recognized accrediting		S9999
