What is SIREN?

SIREN is a secure web-based persistent messaging and alerting system that leverages email, phone, text, pagers and other messaging formats to provide 24/7/365 notification, alerting, and flow of critical information. This system provides rapid communication, alerting and confirmation between state and local agencies, public and private partners, target disciplines, and authorized individuals in support of state and local emergency preparedness and response.

Do I need to confirm every Alert?

Alert confirmation rates are reported to the CDC as part of SIREN grant requirements.

Request a Response
You need to confirm **ALL** alerts that provide a response option.
See section   ***Ways to Confirm Alerts***

Validate Recipient
Alerts may require you to confirm your identity.

Sensitive Communications
Sensitive alerts can only be viewed by logging into www.siren.illinois.gov or by entering your secure four digit PIN code to hear the p

Your SIREN Profile
