

# Serious Injury Incident Report

Illinois Department of Public Health  
Office of Health Care Regulation

Directions:

- 1) Download the Serious Injury Incident Report form.
- 2) Fill out the form completely.
- 3) If this is an initial report, be sure to include the following:
  - a) Name of the alleged perpetrator of abuse (if known)
  - b) Name of the resident and/or staff involved
  - c) Allegation category and injury (if any)
- 4) Fax or e-mail the completed form to your regional Illinois Department of Public Health Office.
- 5) After receipt of your final report, the facility will be notified if additional documentation is required.
